

Serving in God's vineyard

We use as leading principle the method Paul proposed to Timothy (2 Tim. 2: 2), where he instructs his pupil as follows: 'what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also.'

God is the giver of life. The Holy Spirit changes us, giving us new life in Jesus Christ. Where there is life, there is growth, and growth produces change. NET wants to cooperate with you as partner with that desire: to train church leaders to focus on life, growth and change, based on the Word of God and the work of the Holy Spirit. We see our effort as a common work. NET provides a curriculum; you as trainer and coordinator work in your environment, and together we focus on the training of pastors and church leaders. Our common effort is meant to give life, growth and change to individual church leaders and to entire churches.
